

RESOLUTION CONCERNING H.R. 1149, THE “JUSTICE FOR PUBLIC SAFETY OFFICERS ACT”

WHEREAS, the National District Attorneys Association believes that the protection of citizens from violent criminals that commit heinous offenses in the United States is of paramount concern for America’s prosecutors; and

WHEREAS, the “Justice for Public Safety Officers Act” creates a Federal crime for the prosecution of murderers of state and local “public safety officers” including all federally funded law enforcement officers as well as firefighters, paramedics, judges, prosecutors, probation and parole officers that interferes with state sovereignty and usurps the authority of local police and prosecutors.

BE IT RESOLVED, that the National District Attorneys Association hereby opposes the adoption of H.R. 1149, the “Justice for Public Safety Officers Act.”
